IMPACT REPORT

The Club Experience

Boys & Girls Clubs fill the gap between school and home. We provide welcoming, positive environments in which kids and teens have fun, participate in life-changing programs, and build supportive relationships with peers and caring adults.

“ Because of the Club I have the confidence in myself to be a leader. ”

Vanessa
2018 Youth of the Year

When my father deployed with the US Navy for the first time our family moved across the country to Camarillo, California, where I enrolled to the Boys & Girls Club of Camarillo. The Club helped me through my father's 2 deployments.

At the Club, I have grown and gained the confidence to be a leader not only at home but in the classroom as well. No matter what adversity I face, I will not allow circumstances to dictate my attitude towards a bright future.

Today, I enjoy helping my peers with homework and being a positive influence on my peers and 4 younger siblings. The Club continues to be my second home. I feel safe here and can count on staff for the support I need.

The Need in Our State

Every day 1,247,699 kids in California leave school with nowhere to go.³ They risk being unsupervised, unguided and unsafe.
