YOUTH EMPLOYMENT SERVICE

A Program of the Boys & Girls Club of Camarillo

Special note to parents!

The Y.E.S. program is simply a referral service that assists youth in finding work. It is the responsibility of the parents to find out if a job is safe for their child by contacting the prospective employer if there are additional questions. Parents are to report suspicious activity promptly to the proper authorities and to Y.E.S.

Boys and Girls Club of Camarillo Mission:

The mission of the Boys & Girls Club of Camarillo is to provide programs for young people between the ages of six thru eighteen that will inspire them to realize their full potential as productive, responsible and caring citizens. Our goal is to provide every child with the essential tools needed for a successful and bright future. Since 1967, the vision of Boys & Girls Club of Camarillo has grown and changed with the needs of our children. As the needs of our children and their families continue to change, so will the dynamics of our programs and services.
